

# IAS Agronomic Services

	Fertility Recs. (Fertilizer and Lime)	Prime Consulting	Plus Consulting	Pro Consulting
*MFS-Local field level weather - Free	X	X	X	X
Personal weather station access (Must purchase from IAS)	X	X	X	X
Fertility and lime Rx using YIELD GOAL ONLY	X	X	X	X
Soil testing schedule & results	X	X	X	X
Yield data driven fertility Rx		X	X	X
Yield data analysis & maps		X	X	X
Precision ag data management		X	X	X
Genetics by Environment-basic (Group hybrid/variety performance)		X	X	X
Support for USDA Conservation Programs and H2OHIO		X	X	X
IAS trusted agronomist			X	X
Common Production Unit mangment zone creation (CPU)			X	X
Genetics by Environment-advanced (Includes Yield by CPU's)			X	X
Hybrid varitey consulting			X	X
Pesticide recommendations			X	X
Precision ag Rx utilizing CPU management zones			X	X
Group and field benchmarking-Yield Efficiency Score (YES)				X
Economic and agronomic dashboards				X
Advanced analytics				X
HD soil sampling (1/3, 1/4 Ac, 1/2 Ac, 1.0 Ac)	X (billed separately)	X (billed separately)	X (billed separately)	X (billed separately)
Traditional soil sampling (2.0, 3.0, & 5.0 ac.)	X (billed separately)	X (billed separately)	X (billed separately)	X (billed separately)
HD crop scouting	X (billed separately)	X (billed separately)	X (billed separately)	X (billed separately)
Traditional crop scouting	X (billed separately)	X (billed separately)	X (billed separately)	X (billed separately)
Hourly work (tile design, investigate, litigation)	X (billed separately)	X (billed separately)	X (billed separately)	X (billed separately)
<b>Discounts Available:</b>				
8.0% prepayment discount: <b>Prepay by January 5, 2024</b>				
5.0% early payment discount: <b>Prepay by February 2, 2024</b>				
*MFS=MyFarm Solutions is an online platform powered by IAS to monitor weather, and compare hybrid and varities.				

**Contact us today to learn more.**

24320 Woodstock Rd., Milford Center, OH 43045 • 937-826-3003 • [Integratedag.net](http://Integratedag.net)
